■ Personal Details

Date of Birth : 20/06/2003

Marital Status: Single

Nationality : Nigerian

Objective

I seek challenging opportunities where I can fully use my skills for the success of the organization.

S Education

University of Benin 2021 to
BSc Geomatics present

Projects

Web Development

I haven't really done any major project though, but I have done some play projects on my own. I get the challenges from Frontend Mentor.
